

**PRESS RELEASE**

**GIAN CLAUDIO CASELLA ELECTED DIRECTOR OF THE F.I.M.A.A.  
OF MILAN, MONZA AND BRIANZA**

*Milan, 05 february 2018 – Gian Claudio Casella, Head of Residential at Prelios Agency, a company that forms part of the **Prelios Group** and is one of the leading Italian operators in real estate brokerage, was elected director of the governing bodies of the **F.I.M.A.A. Milano, Monza e Brianza** (the Milan, Monza and Brianza Italian Federation of Agents and Brokers) for the 2017-2021 period.*

F.I.M.A.A. Milano, Monza e Brianza is the oldest and most important brokers' association of the Milan and Monza Brianza provinces, and was founded in 1945. The association brings together and represents 2,000 real estate, credit, corporate and commodity brokerage businesses, with more than 5,000 operators in its area, and also is the Provincial Association of FIMAA Italy with the most members.

A member of Confcommercio-Imprese per l'Italia (*Italian General Federation of Commerce*), the Federation represents the entire brokerage industry, including real estate agents, commodity brokers, credit brokers, financial agents, and agents of other miscellaneous services, and works in Italy and Europe for their trade union protection and professional growth.

***Prelios Agency** is part of the **Prelios Group**, one of the leading European groups operating in alternative asset management and specialist real estate services. Having been listed on the Italian Stock Exchange since 2002, the **Prelios S.p.A** holding coordinates various companies operating in Italy, Germany and Poland that develop an acclaimed network that has won awards for its quality, efficiency and reliability. **Prelios Agency** particularly operates in real estate brokerage for national and international clients, and holds a considerable share of the market; in the business sector, **Prelios Agency** is able to offer a full range of specialist services through an organisational structure that is adapted to the specific market segment and client type.*
