

**PRESS RELEASE**

**PRELIOS INTEGRA REINFORCES ITS MANAGEMENT**

*Milan, 14 November 2016* – **Prelios Integra** has reinforced its management by adding **Lorenzo Barbagli** in the **Business Development** area.

Lorenzo Barbagli, 42 years of age, holds a J.D. degree from the University of Bologna, in addition to a master's degree in Economics and Business Administration from SDA Bocconi of Milan, and has considerable experience in real estate.

In 2008 he joined BNP Paribas Real Estate, where he contributed to launching and growing the Property Management business line in Italy, first as Head of Operations and then as Head of Business Development. He also dealt with business development for BNP Paribas Real Estate Group in Italy as Head of Client Solutions.

From 2003 to 2007 he worked at Pirelli Real Estate, where he was in charge of business development for the Property Management business line. He also worked on establishing and managing Pirelli Real Estate's real-estate funds. Finally, he managed the sale of public pension real-estate assets.

**Nicolò Tarantino, Managing Director of Prelios Integra**, explained, "*Lorenzo's appointment is strategic to ensuring continuity to the commercial development of Prelios Integra, which in recent years has seen strong growth in non-captive clients. We are convinced that the competence of the individuals that comprise the team is our main strength.*"

**Prelios Integra** is a leading Italian provider of integrated property and building management services, as well as project and construction management, engineering, due diligence, urban planning and real estate advisory and HSE services, with 5.0 billion euro of properties under management, for a total of 5.3 million square metres.

***Prelios Group***

*Prelios is one of Europe's foremost alternative asset management and real-estate service groups. Listed on the Italian Stock Exchange since 2002, the holding company Prelios S.p.A. coordinates various operating companies that develop a well-known network that has received multiple awards for its quality, efficiency and reliability in Italy, Germany and Poland.*
