PRELIOS AGENCY APPOINTS NICOLA GIORGINI AS HEAD OF CAPITAL MARKET

Milan, 14 December 2017 – **Prelios Agency**, a company belonging to the **Prelios Group** and one of the major players in the Italian property brokerage sector, reinforces its management with the addition of **Nicola Giorgini** as **Head of Capital Market**.

Nicola Giorgini, who graduated from Bologna University with a first-class degree in Business Management (specialising in Finance and Control), started his professional career in 2005 as a consultant in the Consumer Industrial Markets business unit at KPMG Advisory S.p.A. From 2008 to 2009 he studied on the Master in Real Estate programme at the SDA Bocconi University in Milan. In 2009, he joined Pirelli & C. Real Estate S.p.A.

Since 2011, he has worked at Sator Immobiliare SGR S.p.A. as a manager in said asset management company's Investments Department, which manages investment, divestment and property development activities in relation to the Funds under its management.

The new appointment will strengthen the Prelios Agency team which, under **Antonio Chiatellino's** leadership, has continued the work to consolidate its management by taking on top-level professionals of proven experience, who make Prelios Agency one of the most important players on the relevant markets.

Prelios Agency is a company in the **Prelios Group**, one of the major European groups operating in alternative asset management and specialist property services. Listed on the Italian stock exchange since 2002, the holding company Prelios S.p.A. coordinates several operational companies in Italy, Germany and Poland, developing a network known for its quality, efficiency and reliability. In particular, **Prelios Agency** operates in the property brokerage sector for national and international clients and possesses a significant share of the market; in the commercial sector, Prelios Agency is able to offer a full range of specialist services through an organisational structure that is specialised according to market segment and type of client.
