

Luigi Aiello
General Manager Corporate & Business Development

Luigi Aiello joined Prelios in 2013. Currently, he is General Manager Corporate & Business Development, with responsibility for Origination, Investment Management, M&A, Sales & Markets and Product Marketing.

He has more than 20 years of experience in the financial sector, having previously worked in Investment Banking at JPMorgan, ABN Amro and Société Générale.

In 2017 he founded Azzurra Capital to redevelop the Brucoli Lighthouse, a state-owned property. Today, the project is regarded as a benchmark in the valorization of public real estate.

He graduated in managerial engineering with specialization in finance from Politecnico of Milan.
