**Prelios Agency to handle marketing activities for the Segreen Business Park**

*Milan, June 05, 2023* – **Prelios Agency**, a company in the **Prelios Group** that specializes in property consultancy and intermediation, has been engaged to handle marketing activities for the **Segreen Business Park** in Segrate (Milan).

Thanks to its strategic location close to Milan Linate airport and an easy link to the city center with the arrival of the new M4 subway line, Segreen is a new model for office buildings and the perfect balance between work, life and environmental sustainability, values of increasing importance to the modern enterprise.

With a surface area of more than 50,000 square meters and already the location of over 20 leading multinationals, Segreen offers flexible working spaces to meet the specific needs of individual tenants, with solutions starting from 550 square meters moving up to large properties with independent access.

The Segreen buildings were developed in accordance with state-of-the art design and construction standards and make a tangible commitment to sustainability, with LEED Gold and WELL Gold certifications confirming their excellent energy performance as well as the absolute care given to the well-being of the people who live and work in the Business Park.

Segreen also offers large outdoor spaces, communal services such as co-working areas, meeting rooms, an auditorium, a concierge service, a frequent bus service to and from the subway and the crossrail station, bars and eateries, a nursery and a gym, as well as innovative car & bike sharing services.
